SHIPPING WITHIN AUSTRALIA

Where possible we use envelopes to keep your postage costs to a minimum. For larger purchases we use prepaid Australia post satchels.

A guide for prepaid satchels is

\$5.50 for up to 500gms (express = \$7.70)

\$9.60 for 500gms - 3kg (express = \$10.90)

If you are purchasing a Tummytub or would like an exact quote for posting your items, please contact us directly for prices.

EXCHANGE/REFUNDS

We will happily exchange faulty items. However we do not offer refunds simply because you have changed your mind. We do understand that babies grow very quickly and if you have ordered a garment that doesn't fit the intended recipient we will happily send you the next size up if available (dependent on return to us of unopened item and payment of additional postage costs). The exception being our custom made baby gowns. There is no exchange or refund on custom orders.
